Jim: Joe and I will both be there, and we'll also have someone from Hall, Estill, and a representative from Tulstar. I'll try to pin down who those folks will be before we get there.
Thanks.

Jean, I was out of the office on Friday, when you sent your message.

What type of meeting did you want to have? Obviously, a meeting with staff and possibly low to mid level management is much easier to set up. I find such meetings are generally more productive than the speeches and posturing usually involved in higher level meetings. Let me know.
